

# AUGUSTA NATURE EDUCATION CENTER

Welcome. We have 175 acres and 5 miles of trails for you to enjoy.

The Augusta Nature Club actively protects our plants and wildlife. Please help us and do not dump, cut or dig up plants, or shoot, trap, net, camp, or light fires.

You are welcome to study and enjoy nature, walk, run, bike, ski, paint, read, take pictures or enjoy any other non-motorized activity.

Please carry out your litter and leave no trace of your visit.

**Thank you.**

The Augusta Nature Club  
Organized in 1919

Trails in the Nature Center are not designed nor maintained for handicap use .  
**EXCEPTION:** The **RED LINE** trail is a hard packed gravel wooded loop trail about 2 miles long with minor grade changes designed for cross country running and Nordic skiing. It is open to the public and can accommodate some levels of handicap use. Please note that accessible access is only safely possible behind Cony High School where the loop trail passes next to the paved road.
